THE STORY OF GISELLE

Original Choreography by Jean Coralli and Jules Perrot

Staged by Cate Greyjoy, Emily Pasquale, Elena Cvetkovich, Amanda Fetty, and Kaylin Treese

Original Score by Adolph Adame

Arranged by John Longstaff

ACT ONE

A young peasant girl, Giselle, has recently suffered the death of her brother; she is instructed to rest, her family worried that her weak heart may handle the loss poorly. The story begins when Albrecta—an associate of Giselle’s brother, and also a nobleperson—visits Giselle’s village disguised as a peasant. Albrecta is confronted by Hilaria, friend to both Giselle and her late brother, who begs Albrecta to leave Giselle’s family alone. When Albrecta threatens to reveal Hilaria’s role in the death of Giselle’s brother, Hilaria acquiesces.

Giselle meets Albrecta, who introduces herself as Loya, a peasant from a neighboring village, and the two spend the day together.

When a royal hunt arrives in the village, Bathilde—the King’s daughter and, unknown to Giselle, Albrecta’s close friend—stops at Giselle’s house and demands refreshments. Giselle meets Bathilde, and reveals her new friendship with Loya, who has mysteriously disappeared. Bathilde bestows a gift upon Giselle, and stays to watch the villagers dance in her honor. The royal party departs for their hunt, and Loya (Albrecta) and Hilaria emerge from hiding.

Finally, Hilaria exposes Loya as Albrecta, revealing to Giselle their shared part in her brother’s death. The royal hunt returns, and Bathilde confirms Albrecta’s royal identity. Giselle is devastated: as she struggles to accept this betrayal, her heart fails.

ACT TWO

Hilaria visits Giselle’s grave, but is frightened off by spirits. In the quiet of the cemetery, the apparition of Myrtha, Queen of the Wilis, emerges and performs her ritual dance to welcome Giselle’s spirit to her otherworldly realm. Myrtha enlists the help of her Coryphée and Wilis to raise Giselle from her earthly grave.

Broken by Giselle’s death, Albrecta visits the cemetery; she meets Giselle’s spirit and begs forgiveness. Myrtha finds Hilaria and Albrecta wandering in her forest, and sentences them both to dance to their deaths.

Hilaria meets this cruel fate, but Giselle lends Albrecta strength to dance through the night: just as Albrecta collapses from exhaustion, the sun rises and Myrtha and her Willies disperse. Giselle bids Albrecta farewell, and her spirit ascends in peace.

DIRECTOR'S NOTE

Welcome to Ballet Western Reserve's second annual feature-length spring ballet: *Giselle*. This production marks a reunion with the Youngstown Symphony Orchestra, and a debut for conductor Dean Buck; we are honored to perform alongside these immensely talented collaborators on the DeYor stage!

Our *Giselle* reimagines the story of love, betrayal, and loss: an age-appropriate interpretation of what 19th century audiences would have enjoyed. Tonight's performance faithfully follows the original score and choreography, with a modernized plot motivated by Platonic love and better reflecting our student population.

Only with the dedication, enthusiasm, and passion from our dancers, their families, and our talented team of instructors, collaborators, and volunteers are these feature-length ballets made possible. These productions provide a platform to share dance culture, uniting our love for the arts. I am immensely grateful for the continued support Ballet Western Reserve receives from the Youngstown community and beyond; I hope this performance inspires the next generation of dancers.
